**Request**

Special Use Permit #2013-0034 is a request to change of ownership of an existing restaurant on the ground level of a two-story commercial building at 3807 Mount Vernon Avenue. The change of ownership request will transfer the SUP from Nirun Vongpukkean to Sheela Perera. The applicant plans to change the restaurant format from Thai cuisine to Asian fusion and plans to operate under the name of "Shakthi."

**Background**

City Council first approved an SUP for a restaurant at this site in 1991 (SUP#2505). Staff administratively approved a change of ownership in 1995, and City Council approved an extension of the closing hour of the restaurant in 1996. Most recently, City Council approved SUP#97-0193 in April 1998 to increase seating and to allow outdoor seating at the business. Aside from two signage complaints over 10 years ago, and one Code-related complaint about the condition of the parking lot in 2006, staff has not received any complaints about the existing business since it opened in 1997.

**Parking**

Section 8-200(A)(8) of the Zoning Ordinance requires one off-street parking space for every four restaurant seats. The Zoning Ordinance exempts the first 20 outdoor dining seats in the NR/Arlandria zone. The subject restaurant, with 44 indoor seats and up to eight outdoor seats, is therefore required to provide a total of 11 off-street parking spaces. (The NR zone regulations apply within CDD#6.) The applicant partially satisfies this requirement with a total of six off-street parking spaces on-site and will be required in Condition #16 to provide the balance of its parking requirement by leasing off-site parking.

**Community Outreach**

Public notice was provided through eNews, via the City's website, and by posting a placard on the site. Arlandria Civic Association was notified through eNews. In addition, the Lenox Place at Sunnyside Homeowners and Sunnyside/Lenox Place Neighborhood

Associations were sent written notification of the current application. Staff has not received any comments from residents or adjacent businesses.

**Staff Action**

Staff does not object to the applicant's proposal. It finds that the request to change ownership of the business is reasonable. New or amended conditions have been included in this report for consistency with modern standard condition language regarding matters such as odors, employee training, and the one-year staff-level review. A new prohibition on delivery service has been added to this report (Condition #23) since that feature was not included in the prior SUP approval.

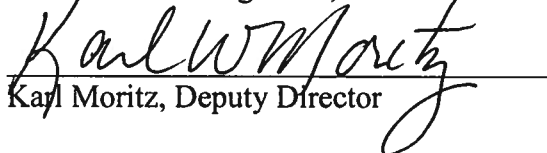

The provision of parking has been closely reviewed as part of this Special Use Permit request. The applicant was asked to find off-street parking consistent with the requirement in Condition #16 and recently was able to find five off-street parking spaces at Saint Rita's Church. However, the total of 11 off-street parking spaces (six on-site plus five off-site) now available to the applicant does not meet the Zoning Ordinance requirement for 62 indoor seats.

Staff has therefore amended existing Conditions #2 and #16 to better reflect the new seating and parking arrangements for the business. First, it is clear from the previous staff report that the applicant's need to provide two of the 12 additional off-street parking spaces stems from the presence of eight outdoor dining seats which no longer require off-street parking. Therefore the maximum number of additional off-site parking spaces the applicant would need to provide based on 62 indoor seats is now 10. Second, staff has clarified in the condition language that the applicant does not need to provide the entire off-site parking requirement of 10 spaces if it does not have the full 62 seats inside the restaurant. Finally, staff has reduced the number of seats allowed at the restaurant but has included a provision in which the Director can, without the need for the applicant to apply for a new Special Use Permit, increase the number of seats back up to 62 if the applicant is able to secure sufficient parking for those additional seats in the future.

Staff hereby approves the Special Use Permit request.
